

# Task 1: SORT PRINCIPLES

Write your group name:

**10 MIN: READ & SORT** the Principle Prompt Cards into 3 piles according to your assessment of your solution on the **ARTEFACT LEVEL** - which principles have you addressed (YES), which have you **MAYBE** addressed, and which are you not addressing (NO)

## YES

- Equitable use
- Flexibility in use
- Simple and intuitive in use
- Perceptible information
- Tolerance for error
- Low physical effort
- Size and space for approach
- :
- :

## MAYBE

- Equitable use
- Flexibility in use
- Simple and intuitive in use
- Perceptible information
- Tolerance for error
- Low physical effort
- Size and space for approach
- :
- :

## NO

- Equitable use
- Flexibility in use
- Simple and intuitive in use
- Perceptible information
- Tolerance for error
- Low physical effort
- Size and space for approach

- :

**KEEP THEM!** Cards represent principles that you have already designed an inclusive solution for – did you include them on purpose?

**REMEMBER THEM!** Cards represent principles close to being addressed by your solution – Could you?

**INNOVATE TO INCLUDE THEM?** Cards represent principles that you haven't considered while developing your solution. Are you missing out on a market or innovation opportunity?

**RECORD IT** by marking (x) the Cards you placed within each category and placing the Principle Prompt Cards into the 'right' pile

# Task 2: SORT PRINCIPLES

Write your group name:

**10 MIN: READ & SORT** the Principle Prompt Cards into 3 piles according to your assessment of your solution on the **COMPLEX SYSTEM LEVEL** - which principles have you addressed (**YES**), which have you **MAYBE** addressed, and which are you not addressing (**NO**)

## YES

- Affordable for All
- Available Everywhere
- Accessible support systems
- Flexibility in ownership
- Life extending ownership
- Beneficial for all

## MAYBE

- Affordable for All
- Available Everywhere
- Accessible support systems
- Flexibility in ownership
- Life extending ownership
- Beneficial for all
- :

## NO

- Affordable for All

# Task 4: IDEATE INCLUSIVE OPPORTUNITIES

Write your group name:

**2 MIN: BRAINSTORM IN SILENCE:** Considering **ALL THREE LEVELS:** What bigger or smaller upgrades / re-designs / add-ons to your solution / service / business model could make your solutions more inclusive? Add your ideas continuously on the canvas below.

**8 MIN:** Share your ideas within your team, cluster them and add new ideas coming up.

IDEA CANVAS

Att: Ideas can range from detail adjustments to larger re-designs within the technology, service, business model, value chain, organization etc.
